## Declaration of Conformity for Viking Pump Internal Gear Pumps according to EC Directives 1935/2004 and 2023/2006 for Food Contact Applications

As manufacturer and first marketer, we declare that when constructed with food-contact materials specified below, pump series 123A/4123A/223A/4223A, 124A/4124A/4124B/224A/4224A/4224B, 126A/4126A/226A/4226A, 127A/4127A/227A/4227A, 157B/4157B/257B/4257B, 724/4724 comply with the provisions of:

- the Directive 1935/2004/EC and 2023/2006 for food contact materials
- the Foodstuffs, Consumer Goods and Animal Feed Codes (German LGFB)
- the Consumer Goods Ordinance (German BedGgstV)

Available food contact material options include:

Stainless Steel Grades: 316SS (CF8M), Nitronic 50, 630SS (17-4PH)

Coatings: Armoloy XADC coating

Steel Grades: 4140, 1045, cast carbon steel (ASTM A216 Grade WCB)

Iron: cast iron, hardened cast iron, ductile iron

Bushings: FDA conforming carbon graphite & silicon carbide, hardened cast iron

Seals and Elastomers: FDA conforming FKM, Buna, & EPDM

Packing: FDA grade PTFE

Gaskets: FDA Gylon 3504

For full conformance, optional material traceability must be specified at time of order.

It is certified that we manufacture our products on the basis of Good Manufacturing Practice according to Ordinance (EC) 2023/2006 (GMP Directive) and that our products are marketable within the European Community.
